NEW
WEBLEOS TRANSITION-Don't forget the process

We have Spring Camp-o-ree's occurring in the next week or so and we still have a lot of Webelos II that have not been registered in a troop yet. Please remember to bring in a new application for your incoming Webelos. They should not be attending these camp-o-rees as Webelos. If you are not sure whether the applications have been turned in for your boys, please call our Registrar.

NEW
POPCORN DISTRIBUTION CENTER NEEDED

If you know of a warehouse that would be willing to be our popcorn distribution center for our 2008 fall sale, please contact vspiel@bsamail.org. We have detailed information including dates and approx. number of pallets that we can provide for potential warehouse partners. It does not have to be in our council boundries, however, it should be relatively easy to get to.

YEAR ROUND RECRUITMENT

Please be advised that the youth in our communities can join any of the programs under the Boy Scout and Learning for Life umbrellas ANY TIME THEY WANT! Unlike many sports and park district programs, boys and girls can fill out an application and begin their scouting journey whenever they want to. They just need to be invited. For instance, now is the perfect time to recruit Kindergarteners and fifth graders to become Tiger Cubs and Boy Scouts. Let's make sure we give them plenty of opportunities to join.

EAGLE SCOUT RANK APPLICATION CHANGE

The 2008 printing of the Eagle Scout Rank Application, No. 58-728A, has a notable change. Now, under Requirement 5, the name of the candidate's Eagle project is required, as well as the grand total of hours devoted to it (from page 10 of the Eagle Scout Leadership Service Project Workbook). **Please discontinue use of older versions immediately.** The new form is available on the website at: Eagle Rank Form. The information about Eagle projects will be entered along with other information from Eagle Scout rank applications, and will be stored on our database.

GOOD TURN FOR AMERICA

Where have all the hours gone??? Through the first three months of the year, Des Plaines Valley Council has posted only 2,083 service hours on the Good Turn for America Website at www.goodturnforamerica.org. Twin Lakes, thanks to Troop 22, has posted 1,427 hours. Voyageur Trace has posted 396 hours thanks to Packs 14 and 66 along with Troops 33, 41 and 73. Tall Grass is currently in third place with 260 service hours posted by Packs 48, 51, 54, 181 along with Troops 51 and 97. We need your help, please post your unit's service hours today. And let's not forget those Eagle Projects, only Troops 22 and 33 have posted an Eagle Project so far this year. If you need assistance contact your District Executive or Bob Johnson at bjjj5456@aol.com.

Invitations will go through the units in May. Thank you to all of our FOS supporters.

FOSopoly APRIL AUCTION

Follow this link for more information on dates and locations: FOSopoly Dates.

JAPANESE SCOUTS TO DPVC

Our Council has once again been chosen by the Boy Scouts of Japan to participate in an exchange program. On July 26th, nearly 30 Scouts from the Tokyo Council will be embarking on a trek, which will land them in Chicago. They will then join our scouts at Camp Mach the week of July 27 thru Aug 2, followed by a home stay with families in our communities thru Aug 5. We have an exciting agenda planned, including a pow-wow at Lac du Flambeau Indian Reservation, a stop in Oshkosh at the EAA air show, and a day in the city touring Chicago's landmarks. Please help us fund this adventure and create a wonderful cultural experience for our youth. We need both financial and personal support to meet or exceed what we were able to achieve in 2005. Email Kaitlin Crozier at kcrozier@bsamail.org with any questions or comments. Arigato-o gozaimasu (Thank you very much)!

WEEKEND IN ILLINOIS NEEDS YOU!

Weekend in Illinois planning is well on its way. We are still looking for interested Boy Scouts and adults to join our volunteer staff each weekend. Please see our youth and adult forms and contact Cheryl Byrne or Ken Nagel for more information.

OPERATION POPCORN

Operation Popcorn is a collaboration of SupportOurTroops.org, the Boy Scouts of America, and the Trails End Popcorn Company focused on reminding U.S. troops that as we go about our daily lives, we never forget what they are doing for us overseas. Boy Scouts and Cub Scouts went out in to their communities to show their support for U.S. Troops by selling popcorn, which was donated to active duty troops and their families. 16 tons of popcorn was recently shipped to the U. S. Army in Kuwait! More information available at: Operation Popcorn. Related article available here: Article.

SCOUTREACH PHILMONT SCHOLARSHIP APPLICATION

Scoutreach Philmont scholarships are given to make up the difference that a Scout, his family, and the unit can't cover toward his Philmont fees. The scholarship committee believes that it is important for a Scout to contribute some portion of his fees through personal resources or unit fund-raising projects, thus meeting the spirit of the ninth point of the Scout Law: A Scout is Thrifty. Most of the scholarship money available is restricted to Philmont attendance, rather than attendance at other BSA high-adventure bases, due to the donor's requirements. If you would like to recommend a Scout for consideration, please contact Kaitlin Crozier at kcrozier@bsamail.org for more

information.

NATIONAL YOUTH LEADERSHIP TRAINING

Follow this link NYLT Participant Application to apply. Don't miss this opportunity for scouts in your troop to take a nationally developed course which teaches individual leadership skills and focuses on applying them in team settings, which is very helpful in implementing the patrol method in scouting. More information about this program is available here: NYLT Fact Sheet.

YOUTH PROTECTION TRAINING IN PERSON

Since April is Youth Protection Month, what better time than then to complete Youth Protection Training? Take the opportunity to attend the in-person version of this important training on Monday evening, April 21, and learn from both your instructor and fellow classmates. For more information and registration flyer, follow this link: YPT

DEADLINE

NEW LEADER ESSENTIALS/CUB SCOUT LEADER SPECIFIC TRAINING

All adult leadership positions in BSA's Cub Scout, Boy Scout, and Venturing programs require completion of New Leader Essentials. For Cub Scout leaders, completion of Cub Scout Leader Specific Training is also required to be fully trained. Take advantage of New Leader Essentials on Monday, April 14th – 7:00pm-9:00pm, and/or Cub Scout Leader Specific on Wednesday, April 16th – 7:00pm-9:30pm, to further your training. Access the registration form for either or both courses at: NLE and CSLS.

NRA SHOOTING SPORTS CAMP

Scout groups are invited to the bi-annual NRA Shooting Sports Camp. These camps serve to provide an organized and structured environment where young people can learn to shoot and handle firearms in a safe, responsible, and proficient manner. This is an ideal opportunity to introduce Scouts who have no experience with guns to the fun, challenge and discipline of the shooting sports. More information available here: Shooting Camp Flyer.

ANNUAL WOOD BADGE DINNER - APRIL 23, 2008

The Annual Wood Badge Dinner will be held in the Fellowship Hall of the First Baptist Church of La Grange. It will be a Potluck dinner, so bring an entrée, salad, or dessert to pass and some of your best Scouting stories. The cost is $ 4.00 at the door (to defray costs).

We plan on gathering by 6:30 PM, starting dinner by 7:00 PM. There will be a few door prizes, and several Wood Badgers getting their beads after dinner. We will have a "slide show" of the last Wood Badge class, and most likely we will be visited by "Vinnie". So, if you don't know who "Vinnie" is, come on out for some laughs, dinner, and of course a song.

You can Pre-Register by filling out a flyer and returning it to the Service Center or e-mailing Terry Tincher at asmtroop66@yahoo.com. Flyer available at: Wood Badge Dinner.

CRIMINAL BACKGROUND CHECKS

There are BSA adult volunteers who have been consistently registered since April 2003 in the same position. These dedicated volunteers have not had a criminal background check (CBC) conducted by the BSA. Some versions of the BSA adult applications prior to April 2003 did not have a complete authorization and disclosure statement for a criminal background check to be conducted. To continue to provide a safe environment for youth participating in the Scouting program, the National Council will address this situation by providing a vehicle for having a CBC conducted on those volunteers. For more information, please visit this link: Volunteers and Background Checks.
