**SUBJECT:** **Teacher Online Training**

Learning for Life is pleased to announce teacher online training. The training is now available for elementary, 7<sup>th</sup> & 8<sup>th</sup> grade, high school, and special needs teachers. Each training session consists of an overview of the program, a downloadable video presentation of a teacher presenting a lesson plan, a review quiz, and upon completion a certificate. Each training session takes between 15 and 20 minutes to complete.

A special thanks to the Fort Myers, Florida council in helping to produce the video section of our training.

Learning for Life offers seven programs designed to support schools and community-based organizations in their efforts to prepare youth to successfully handle the complexities of contemporary society and to enhance their self-confidence, motivation, and self-esteem. The seven programs focus on character development and career education. Learning for Life programs help youth develop social and life skills, assist in character and career development, and help youth formulate positive personal values. It prepares youth to make ethical decisions that will help them achieve their full potential.

Learning for Life programs are delivered in two methods:

- **Instructional setting** that utilize curriculum for grade K-12 as well as a component for Special Needs.
  - Seekers (K-grade 2)
  - Discoverers (grades 3 and 4)
  - Challengers (grades 5-6)
  - Champions (special needs)
  - Builders (7th and 8th Grade)
  - Navigators (High school grades)
  - **Teacher Online Training**
- **Work site based program (Exploring)** that give high school aged youth hands on career experiences.
