Des Plaines Valley Council is pleased to be supporting "Superheroes of Scouting", an event of our neighboring Three Fires Council that will be leaping into action on November 8th for a day of FUN & TRAINING for all Scout leaders or parents (Tiger, Cub Scout, Webelos, Boy Scout, Varsity and Venture Leaders and those Scouts who will be trained as Den Chiefs.

Des Plaines Valley Council is particularly encouraging its Pack and Den leaders to attend this event to learn a wide variety of skills and new ideas to make your meetings more fun and rewarding for our Cub Scouts and Webelos.

This is also a great opportunity for you to take basic leader, supplemental and enrichment training and specialty courses to help you run a quality program – and you can get them all in one convenient place! You will have the opportunity to attend five courses during the day. Course descriptions and times will be unmasked beginning in early September on the Three Fires Council web site: www.threefirescouncil.org.

This year brings more sessions of popular classes and new classes for all levels of Scouting. The Midway extravaganza expands to better serve all levels of Scout leaders who are looking for new ideas or a fresh outlook for activities or places to go. Come and have a great time, network with other leaders, meet old friends and make new ones as you learn new Scout skills & information in one fun-filled day!

Watch the Three Fires Council website at www.threefirescouncil.org, for further details and your ticket to **Superhero Excitement!**

DON'T MISS THE ACTION! BE TRAINED!
