It's BACK! Pow Wow is a one-day Cub Scout leader training extravaganza returning to Des Plaines Valley Council in November 2010. Pow Wow goes way beyond *Cub Scout Leader Fast Start*, *This is Scouting*, and *Cub Scout Leader Specific Training*. Adult leaders gain an **entire year's** worth of new ideas and inspiration that enhance Tiger, Cub and Webelos Den and Pack programs. This Cub Scout training event of the year is where adult leaders renew knowledge, learn to add pizzazz to den and pack meetings, and gain ideas for making them fun.

All Cub Scouting adults are encouraged to attend. There will be something for everyone at this, the biggest Cub Scout training event of the year! Watch for updates!

Past Pow Wow Participants Say:

This is a great time of year and a super event to energize our Cub Scout packs.

The sessions were so fun!

Sessions not only to keep the program going for the boys, but they keep me going!

Best of all, I got to see all my Scouting friends and visit with them. It's always a fun day.
