

Des Plaines Valley Scout Shop

Requirements for receiving segments are established by the individual unit. It is recommended that each pack establish its policy on segments, if they choose to use them, and share that policy with its pack members. There is no criteria set by the Council and/or National for earning the Des Plaines Valley Center Patch or the new Great Activities Center Patch. Segments are not an official program of the Boy Scouts of America, so the patch and segments may only be worn on the brag vest.
